Submit shifts via Accra Mobile

All shifts are due by 12:00pm (noon) on the Tuesday after the end of the pay period.

- All shifts must be entered by the caregiver on the Accra Mobile app before being approved by both the caregiver and the Responsible Party.
The Responsible Party may approve shifts either:
As the caregiver finishes their shift in the Accra Mobile app.
On the Accra Access Portal after the shift is submitted by the caregiver.

If shifts are approved after 12:00 pm (noon) on Tuesday, payment may be delayed.

Payroll Information:

- Shifts should be logged each day by caregivers as the shift is worked whenever possible, using the Clock-In/Clock-Out option in the Accra Mobile app.
Please watch your email for two separate verifications: 1) that your caregivers' time was received and 2) that it was processed. Please wait 48 hours after the noon deadline to contact Accra to verify if the timesheet has been received or processed.
Pay periods are for two weeks which end on Saturday. Holidays do not affect the pay period deadlines.
Employees are not to work more than 40 hours of non-respite services in a pay week.
Pay stubs are available online via Paylocity.
Shifts will not be paid before the pay day for the pay period they are in (listed on the back side).
